THE ULTIMATE MULTIVITAMIN – Power-packed with 12 essential vitamins, 10 essential minerals and 22 plant concentrates to help support a healthy heart, brain, eyes, skin, bones and immune system.[†] Contains natural plant ingredients from every color on the phytonutrient spectrum.

The multivitamin of the future is here today

Whether your focus is sports nutrition, weight management or general nutritional health, Nutralite™ Double X™ supplement is power-packed with vitamins, minerals and phytonutrients to help support a healthy heart, brain, eyes, skin, bones and immune system.* Contains natural plant ingredients from every color on the phytonutrient spectrum:

- ✓ **12 essential vitamins**
- ✓ **10 essential minerals**
- ✓ **22 plant concentrates**

Nutralite™ Double X™ delivers:

- PHYTOCOLOR BALANCE with a new berry blend that helps fill the largest phytonutrient gap in the modern diet and is most commonly associated with brain health.**
- PHYTOPROTECT™ BLEND, a unique blend of Rosemary, Turmeric and Fava d'Anta extracts that helps your body defend against free radicals.*
- INNOVATIVE TECHNOLOGY that allows for increased phytonutrient concentration and potency with a small tablet size that is gentler on the stomach.
