

XS™ Pro CBD Cream

Item: 300323 – 20 to 30 Uses

WARM AND SOOTHE – Soothes and warms skin on contact. 400 mg CBD.

Support recovery from an active lifestyle

Adventure→Apply→Recover→Repeat

After your next workout or adventure, take your recovery to the next level with XS™ CBD Pro Cream, made with 400 mg of CBD from full spectrum hemp extract. Quickly feel the key ingredients that soothe and warm the skin within five minutes for a lasting effect. The 400mg of CBD puts the “Pro” in the Pro Cream, which has the most CBD out of any of the XS™ CBD Products.

- Warming sensation is enhanced by HotAct[®], a quick-acting sensory agent
- Dermatologist and third-party safety tested for quality, purity, allergens and skin irritation
- Contains 400 mg of CBD and less than 0.3% THC
- Full Spectrum Hemp Extract
- Soothes and nourishes skin
- No animal testing

Advisories:

Cannabidiol (CBD) used while pregnant or breastfeeding may be harmful. Keep out of the reach of children. Do not consume. Do not layer the CBD Pro Cream, Cream and CBD Cool Spray. Avoid use on the face and eye area. Warming sensation may be greatly enhanced after intense workout or hot shower.

This product has less than 0.3% THC. Do not apply to wounded to damaged skin.
