Primed Skin Perfection in One Beauty Balm

This beauty balm mimics the look of real skin by providing multiple skin-priming and perfecting benefits so your skin looks like your skin, only better! It instantly improves the overall look and feel of your skin without making you look like you're wearing any makeup. Wear it alone for a minimal makeup look or wear it under your favorite Artistry® foundation as a makeup primer.

SUMMARY

Description

Show off your skin confidently with the Artistry Exact Fit® Beauty Balm. This innovative and ultra-sheer formula helps to smooth and prep your skin for makeup application.

This oil-free formula allows foundation or CC Cream to blend more easily, and extends the wear of your foundation for fresh-looking skin all day long. It's ultra-sheer and great for all skin types and skin tones. Artistry Exact Fit® Beauty Balm gives you smooth, healthy-looking, more radiant skin.

Benefits

- Primes – skin-transforming Elasto-Network primes skin and instantly improves the look of skin texture.
- Perfects – Tahitian Pearls and optical prisms blur the appearance of pores and imperfections.
- Hydrates – a targeted liposome delivery system hydrates skin with encapsulated fresh Norwegian fjord water.
- Ultra-sheer coverage with SPF 35.
- One universal shade works on all skin tones.
