SUMMARY

Description

ARTISTRY® **intensive skincare 14-night restore program** is a periodic, concentrated repair treatment to revive and restore skin to a youthful state. So effective, this powerful seasonal product is recommended to be used just 14 nights, four times a year. The Deep Night Action 7 Complex provides 7 levels of restoration to help correct signs of existing damage, defend against future damage, and boost skin's response to a daily skincare regimen.

Deep Night Action 7 Complex contains Ultrasomes® – a restorative enzyme that helps super-charge skin's natural ability to repair signs of damage caused by environmental assaults. These patented liposomes with a special delivery system possess a powerful and highly effective enzyme – UV-Endonuclease.

- **UV-Endonuclease** – Shown to help repair skin cells and encourage recovery from sun damage to the skin, halting the gradual weakening that causes photo-aging. This bioengineered enzyme, and key component of Ultrasomes, is based on the natural recovery process found in marine algae. Algae float on the surface of the ocean and are constantly exposed to UV rays from the sun – yet, they manage to survive and flourish under these harsh conditions. UV-Endonuclease mimics this natural recovery system.

Deep Night Action 7 Complex is also powered by the **Soothing System** to calm the skin and minimize the risk of skin irritation. This powerful formula provides younger-looking skin at any age – in just 14 nights.

ARTISTRY **intensive skincare 14-night restore program** is clinically tested to improve skin clarity by 261% for improved texture, tone, and brighter-looking skin. **14-night restore program** is a restorative, seasonal skin treatment that recharges skin, improving its ability for repair and correction.

Benefits

DNA is a key to maintaining beautiful skin. DNA gets damaged by sun, stress, and life events.

Groundbreaking DNA research confirms that damaged DNA results in all the signs of aging.

Inspired by this groundbreaking DNA research, ARTISTRY **intensive skincare 14-night restore program** with Deep Night Action 7 Complex provides 7 levels of restoration, including:

- **Boosting** the skin's natural ability to repair signs of damage caused by environmental assaults.
- **99%** improvement in the appearance of visible fine lines.
- **Soothing damaged skin** as demonstrated by **94%** of panelists who felt their skin was more comfortable.
- **Restoring brightness and improving skin clarity by 261%.**
- **Maintaining and reviving skin's natural moisture barrier** for a **98%** moisture improvement after 14 days.
- **Increasing skin cell turnover** for an **83%** reduction in skin roughness.
- **Protecting skin from environmental insults** as perceived by **71%** of panelists who felt that their skin was less stressed, more toned, and healthy looking.
