

Artistry Signature Color® Blush

Enhance Your Natural Glow

The all-new skin-flattering blush shades beautifully frame your face. Long-lasting and silky soft powders are plush and luxurious on your face. Micro-fine pigments allow you to easily blend and build color.

Artistry Signature Color® Compact (Item #: 118404) sold separately.

SUMMARY

Description

Sheer powder sweeps on flawlessly to give skin a flush of healthy color. The shades range from pinks and corals to mauves, and also include a contour shade (Golden Light). Use with Artistry Signature Color® Compact 118404 (sold separately).

Benefits

- Long-lasting, stay-true color resists fading for all day. Offered in matte and radiant finishes.
- Silky-soft powder sweeps smoothly over skin without streaking.

Shade Description for Each Shade:

Golden Light – Matte, warm, natural shade gives sun-kissed glow and may be used to contour and shape.

Peachy Pink – Shimmer, pink peach with golden shimmer gives skin an instant glow.

Fresh Coral – Shimmer, medium shade gives light and soft radiant touch of a warm glowing peachy coral.

Soft Rose – Shimmer, soft and subtle, natural radiant pink. Not too bright and universally flattering.

Sweet Pink – Shimmer, soft, pale, clean, cool pink with very subtle sheen gives skin a fresh flush of color.

Dusty Mauve – Matte, medium, neutral rose gives youthful-looking, healthy rosy cheek look.

Frequently Asked Questions

How do I fill/refill the new Artistry Signature Color® Blush Compact?

To fill the compact, align the Blush refill with the base of the opened, empty compact. Place the two tabs on the back of the refill in the base of the compact first and then press the front two corners of the refill until you hear both sides click. To ensure the two back tabs are engaged, firmly press the back two corners.

To remove the refill, close the compact, turn it upside down so the bottom label is facing you, and push the two dots on the label (corners closest to the Artistry® logo on the compact) until you hear the release click. Open the compact and remove the refill.

Who designed the new Artistry Signature Color® Blush Compact?

The new exclusive compact was created for Artistry® cosmetics by renowned prestige designer Olivier Van Doorne.

Is the Artistry Signature Color® Blush Compact refillable?

Yes, the compact is refillable. Follow the answer to the previous question.

Do applicators come with the Artistry Signature Color® Blush Compact?

Yes, the applicator is included. It is a natural hair, domed blush brush. Use flat side to apply color on cheek and edge to contour.

How should I carry my new Artistry Signature Color® Blush Compact?

To keep your compact looking its best, ideally it is kept in the enclosed pouch. If carried without the pouch it should be protected from direct contact with keys or other metal items.

GENERAL PRODUCT/FORMULA

What is so unique about Artistry Signature Color® Blush?

The new and improved formula gives a radiant sweep of color to brighten, contour, and complete any makeup look. Gorgeously natural texture and stay-true color that lasts throughout the day.
